Kizugawa City disaster prevention information email

Kizugawa City distributes disaster prevention information by email. We deliver disaster information and broadcast announcements of the disaster prevention alarm sirens.

There are cases when broadcast of disaster prevention announcements through the alarm sirens is hard to follow or inaudible while inside the building. You can check broadcasting contents by disaster prevention information email, so please register to the “Kizugawa City disaster prevention information email.”

(Please see the other side of this paper for details of how to register.)
